Air Men Leave.

Lieut. Trunk and Lieut. Vandervoort, who had charge of the North Platte control field in the trans-continental air derby, will leave for Chicago this evening. Eight of the men who were in service here left Friday evening, the other eight will leave with the officers this evening. Lieutenants Trunk and Vandervoort and their men spent nearly a month in North Platte and won the esteem and good will of all by their courtesy and gentlemanly conduct and as a result made many friends. Lieut. Trunk, through The Tribune expressed his thanks to the people of North Platte for the kindness extended the officers and men and said their stay in North Platte had been very enjoyable.

Red Cross Drive in Progress.

The Third Red Cross Roll Call started in North Platte Saturday when booths were put up in the banks, post-office and depot, the business section solicited, and solicitors worked the streets. By this means hundreds of memberships were secured and the campaign started off in a very satisfactory manner. The residence sections have been divided into districts and during this week committees will make a house to house canvass.

North Platte has never failed to do its full duty in all former drives; it will not, we are certain, fall down in the present campaign.

This is Election Day.

An election is being held today for the purpose of selecting delegates to the constitutional convention which meets in Lincoln December 2d. Electors in Lincoln county will vote for two delegates, one of which will represent Lincoln county, the other the float district comprised of Dawson, Lincoln and Keith counties. The candidates for delegates from Lincoln county are W. V. Hoagland and J. G. Beefer, while the float candidates are W. T. Wilcox, of this city, and H. D. Lute, of Paxton.

This is an election at which women cannot vote, our vice legisla-tors disfranchising the women on questions of a constitutional nature.

Lincoln Wins Game.

The North Platte foot ball team met its first defeat this season Friday when the strong Lincoln team run up a score of thirty-seven and kept the local team from making a point. The Lincoln team is composed of huskies, averaging twelve pounds per man heavier than North Platte, and they put up a strong game, throughout North Platte did its best, but made little progress toward securing a touchdown.

Irrigated Land For You.

This week 4,000 acres of irrigated land under the Carey Act will be up on the market. Plenty of water, No. 1 soil, located in the Big Horn Basin. Low price and easy terms. For full particulars call at 216 west 12th St. or phone Red 484. I warn you that this is A No. 1 and if you get a piece of this land at all you must act immediately as there will not be half enough to go around.

C. A. MOORE,
216 W. 12th, North Platte, Neb.

Screen is making all Amer-
ica sit up and take notice.

Theodore Roosevelt
said, "The Unpardonable
Sin" is a very, very strong
story. It teaches just the
lesson our people should
learn.

Harry Garson Presents BLANCHE SWEET in Maj. Rupert Hughes' Astounding story

"The UNPARDONABLE SIN"

ADULTS 50c.

CHILDREN 25c.

Keith Theatre, November 10, 11, 12.

Property Sold at Tax Sale

The tax sale at the county treasurer's office yesterday, which covered real estate on which 1918 taxes had not been paid, was a rather small affair. The total delinquent taxes were about \$4,000, whereas in former years the amount run from \$15,000 to \$20,000. In the property sold yesterday there were only twenty pieces in North Platte, although there were several hundred delinquent when the tax list was published. When the delinquents saw that their names were published they hastened to the treasurer's office to square up.

Swedish Mission

On November 7th at 7:30 p. m. Rev. H. E. Sundberg will speak. He spoke to a large audience the last time he was here and we know that all will be anxious to hear him again. All welcome at the People's Mission at the corner of Locust and Seventh streets.

SHEWEIGHED 79 POUND S

Case of Miss L. C.

Health Talk No. 24 by Drs. States.

Her weight was 79 pounds, and she was so weak and emaciated she could not walk.

She had to be carried to the office several times before she began to gain in strength. Fi-

nally she became able to walk and now she is feeling well and vigorous, and is much heavier.

An analysis of her spine was an index to her troubles. There was interference with those nerves that supplied vigor and activity to the lungs and kidneys, the blood building and purifying organs of the body. When the adjustments removed this pinching pressure, she was on the road to recovery.

FREE—Consultation is free. See us today. There is no obligation.
